Plan Your Gifts for the Greatest Impact

Since 1858, St. Bonaventure University has been providing its students with a superior education in the Franciscan tradition. As a Catholic university, St. Bonaventure has dedicated itself to core principles of discovery, community and individual worth.

Throughout our more than 150 years of existence, we have been constantly evolving to provide our students with the best educational experience possible. Our community thrives on the pursuit of distinction and the desire to bring out the best in every individual. In the spirit of our Franciscan heritage, we encourage our students to live out the school's values through lives of citizenship and service. Giving back is part of what we teach and who we are.
